Additional Charge	Description	Fee
<b>Sending Shipments</b>		
<b>Currency Conversion Rate</b>	Charges to a payer's account in a foreign currency will be converted to the payer's currency using a weekly exchange rate secured through major money centre banks.	0.75% of the amount converted
<b>Over Maximum Limits*</b>	Packages with an actual weight of more than 150 pounds (70 kg), or that exceed 108 inches (274 cm) in length or a total of 157 inches (400 cm) in length and girth combined, as measured to determine their billable weight, are not accepted for transportation. These packages are subject to an Over Maximum Limits surcharge, in addition to all other applicable charges, if found in the UPS small package system. Packages exceeding 157 inches (400 cm) in length and girth combined are also subject to the Large Package Surcharge.	107.00 € per package
<b>Large Package Surcharge*</b>	A Large Package Surcharge will be applied to each UPS package when its length plus girth [(2 x width) + (2 x height)] combined exceeds 300 cm, but does not exceed the maximum UPS size of 400 cm.  Large Packages are subject to a minimum billable weight of 40 kg in addition to the Large Package Surcharge.  An Additional Handling charge will not be assessed when a Large Package Surcharge is applied.	47.00 € per package
<b>Special Handling of Undeliverable Shipments Surcharge (In Addition to Transportation Cost)</b>	When UPS has taken measures to try to deliver any Worldwide shipments, but has been unsuccessful, we will process your shipment acting on your instructions. The transportation cost and a surcharge will be charged to the shipper for the processing of each such undeliverable shipment. Please see the Additional Charges table for pricing information.  For all shipments within the EU and within your country, we will automatically return your shipment by UPS Standard service (where available). Transportation and fuel charges will apply for the return.	5.60 € per shipment for worldwide services
<b>Address Correction</b>	If a mistake has been made in the address, we will make every reasonable effort to find the correct address and deliver the shipment if it is within the same destination country. An additional charge for this service will be billed to the shipper. You can view the address correction charges in the Additional Charges table.	6.90 € per shipment
<b>Receiver or Third Party Refuses to Pay</b>	If the receiver or a third party is selected to pay the transportation charges and the bill-to account is incorrect or missing, UPS searches its records for the correct account number. Whether or not the account number is found, a processing fee per shipment is billed back to the shipper.	11.80 € per shipment
<b>Missing or Invalid Account Number Fee</b>	An account number is invalid if it is not the correct account number for the bill-to party, or if it is the account number for a consignee or third party who fails to pay the shipping charges.  A charge per shipment will be assessed for domestic (if available) and international shipments with a missing or invalid payer account number. Additionally, if the consignee or third party fails to pay the shipping charges, the original shipper will be billed a refusal fee plus the shipping charges.	11.80 € per shipment
<b>Signature Required</b>	Normally, UPS requires the signature of the receiver for all deliveries. As an exception, deliveries in certain countries are allowed on "Driver release" (delivery in a location in the receiver's premises without the need for a signature) or on "Letter box release". Letter box release is a secured release by a service provider which will allow residential packages to be left in a safe letter box without a signature.  Use Signature Required to prevent the use of "Driver Release" or "Letter Box Release" in applicable countries.	1.23 € per shipment
<b>Adult Signature Required</b>	Use "Adult Signature Required" to prevent minors from accepting deliveries of goods for legal or other reasons. This may apply to alcoholic beverages and tobacco products, but also to goods that you prefer an adult to receive.	3.40 € per shipment
<b>UPS carbon neutral (per package/per pallet)</b>	UPS carbon neutral is an option for shippers who are conscious about their climate impact and are doing something positive about it. Using UPS carbon neutral lets you demonstrate your commitment to climate change, and enables you and your package recipients to share in that commitment. When you select UPS carbon neutral, a flat fee will be added to your bill for each package selected.	0.10 € per package will be charged for domestic UPS Express Plus, UPS Express and UPS Express Saver shipments.  0.20 € per package will be charged for UPS Express Plus, UPS Express, UPS Express Saver and UPS Standard shipments destined within the EU, as well as for UPS Standard shipments to Liechtenstein, Norway and Switzerland.  0.55 € per package will be charged for UPS Express Plus, UPS Express, UPS Express Saver shipments destined outside of the EU, and for UPS Expedited shipments.  15.40 € per pallet for UPS Worldwide Express Freight shipments.
