For all shipments within the EU and within your country, we will automatically return your shipment by UPS Standard service (where available). Transportation and fuel charges will apply for the return.	€5.00 per shipment
<b>Address Correction</b>	If a mistake has been made in the address, we will make every reasonable effort to find the correct address and deliver the shipment if it is within the same destination country. An additional charge for this service will be billed to the shipper. You can view the address correction charges in the Additional Charges table.	€6.95 per shipment
<b>Receiver or Third Party Refuses to Pay</b>	If the receiver or a third party is selected to pay the transportation charges and the bill-to account is incorrect or missing, UPS searches its records for the correct account number. Whether or not the account number is found, a processing fee per shipment is billed back to the shipper.	€10.80 per shipment
<b>Missing or Invalid Account Number Fee</b>	An account number is invalid if it is not the correct account number for the bill-to party, or if it is the account number for a consignee or third party who fails to pay the shipping charges.  A charge per shipment will be assessed for domestic (if available) and international shipments with a missing or invalid payer account number.
